

Rationalization of Prepaid tariff under 2G & 3G Mobile Service and Implementation of Migration Vouchers & Migration Policy in Karnataka Circle.

[1] Migration vouchers to facilitate easy migration from one plan to another [Except Pyari Jodi & Special Student Plan] is as under

The vouchers are currently available through CTOP UP only.

Sl. no.	MRP of RCV inclusive of S.T.in Rs.	S.T.@10.3 % In Rs.	Face Value in Rs.	Migration to
1.	1	0.09	0.91	Saral Ananth.
2.	2	0.19	1.81	1p/sec.
3.	3	0.28	2.72	All @49.
4.	4	0.37	3.63	2G Special.
5.	5	0.47	4.53	3G Special.

Existing Talk Value and Validity of the earlier plan will be carry forwarded.

[2] The migration procedure for existing prepaid Saral Anant Customers is as under

Existing Plan	Migration to Saral Anant Plan	Choosing desired plan.
SA "1p/sec"	After the expiry of tariff validity of 365 days.	Migration to the desired plan may be allowed through Migration Voucher mentioned above. However for extension of validity ,Top Ups to be used.
SA"all @49"		

[3] The existing customers will continue to get the same tariff and features for further 6 months in the same plan .After 6 months they will be automatically migrated to the concerned plan. However if any customer wish to migrate to the New Rationalized plans ,they can use the above mentioned migration vouchers to get the features of the new plans.

[4] [a] The procedure for migration is as follows , any 2G customer wishes to migrate to 1p/sec tariff or all @49 tariff ,they have to simply recharge with the migration voucher costing Rs.2 or Rs.3 resp .To migrate to 2G Special plan they have to recharge with migration voucher costing Rs.4. Similarly any 3G Customer wishes to migrate to 1p/sec or all @49 tariff in 3G , they have to recharge with the migration voucher costing Rs.2 or Rs.3 resp. To migrate to 3G Special plan they have to recharge with migration voucher costing Rs.5.

[b] The procedure for migrating 2G to desire plan of 3G & vice versa will be done in two steps.

First Step- The customer need to send SMS “M3G120” or “M2G” to 53733 to get 3G or 2G service.

Second Step- Customer need to use desired migration voucher (Rs 1/2/3/4/5).

Example: Any 2G Customer wishes to migrate to 3G 1p/sec Tariff , First send SMS to 53733 as M3G120 ,the customer will migrate to 3G 120 plan, after migrating to 3G Plan ,the customer has to use migration voucher costing Rs.2 ,then he will be moved to 3G 1 paise/sec plan. Similarly after moving to 3G plan they can use migration voucher costing Rs.3 to get all@49 3G Plan.

[c] Any circle promotional scheme customer wishes to opt 1p/sec tariff, they have to use migration voucher costing Rs.2 only .They will be placed in 2G 1paise/sec Tariff plan .**But they will loose the features of Circle promotional offer.** Similarly by using Rs.3 migration voucher they will be at all@49 2G plan .In this case also they will loose Circle promotional offer features.

[5] STV-45 &STV-49 will be withdrawn with immediate effect.
