	Cable Jointing beyond 400Pr	10nos	5nos	5nos
03	Erection of 5Pr Internal DP	1000nos	1000nos	700nos
	Erection of 10Pr Intl DP	75nos	75nos	45nos

17. Termination for default: (a) If the contractor fails to carry out the work within 30 days after the receipt of work order from the department, the contract shall be terminated and action will be taken to forfeit the security deposit.

(b) BSNL may without prejudice to any other remedy for breach of contract by written notice of default sent to the contractor terminate his contract in whole or in part.

18. Liquidated damages: (a) If the tender fails to execute the work within the prescribed period, the BSNL shall be entitled to recover half percentage of the value of the delayed work for each week of delay or part thereof subject to minimum of 5% of the delayed work. The quantum of liquidated charges levied by the department is final and is not challengeable by the contractor.

(b) If the work is not completed even after 20 days beyond the period specified in the work order, the BSNL has the right to terminate the contract and the forfeit the security deposit.
19. The work is required to be carried out under the supervision of BSNL officials/officers on issue of work orders by concerned SDEs. The work will have to be undertaken as and when the work orders are issued. The contractor should make foolproof arrangements for getting the work orders by post or by local enquiry at the concerned Sub Division Head quarter. The works are to be commenced within 3 days from the date of issue of work orders by the concerned SDEs. The stores required for the work will be supplied at the SSA store yard Raichur. The contractor should be able to carry the stores from the SSA Head Quarters to the various work spots and distribute the same. Surplus stores should be transported back to SSA Head Quarters. The rates quoted should include the transportation charges.
20. Tenders, which are not submitted in the prescribed format, will be rejected.
21. The General Manager Telecom Raichur has the right to reject any or all the tender applications without assigning any reasons. No complaint in this respect will be entertained.
22. The BSNL will be at liberty to award the work to any number of contractors in a zone at the accepted rates depending upon the exigency/ workload.
23. Bills in duplicate duly pre-receipted should be submitted to the concerned SDOs SDEs after spot inspection by SDOs / SDEs or his authorized representative and their certifying the bills and counter signature by competent authority for settlement of bills.
24. The department reserves the right to carry out work in any manner if it so desires.
25. The General Manager Telecom Raichur is not bound to accept the lowest tender.
26. The contractor should observe all labour regulations while employing his laborers. No laborer below the age of 18 years shall be employed in the works. The contractor shall be responsible for issuing protective devices like AC line tester, rubber hand gloves, shoes with rubber soles, safety belt, safety helmet etc. to the laborers working under him while on work. He should also ensure to take power shutdowns wherever and whenever necessary with the guidance of the controlling officer.
27. The contractor shall at his own responsibility arrange to get necessary license required under "Contract Labour (Regulation and abolition) Act 1970 and to abide by the provisions of the said Act.

28. The contractor shall at all times hold the BSNL safe and indemnify against all claims, cost, charges and expenses for which the BSNL may be liable or may incur or pay on account of the negligence or misconduct of the contractor or his servants or any person under his control whether the injury to the person or damage.
29. While carrying out of laying U/G cable works, if any injury or death caused to any laborer, the cost of compensation should be borne by the contractor only.
30. The contractor shall take all precautions while carrying out of laying U/G cable works. He should make all necessary arrangements for stay at work place and provide hygienic and good sanitation for the laborers.
31. A logbook will be kept at the work site. All observations and instructions will be recorded therein. The contractor is required to note the contents, which will also be verbally explained to the representative of the contractor at the work site. The contractor will however be responsible to note all such remarks, instructions etc.
32. The contractor should intimate the name of the persons who are working under him in any capacity or subsequently employed by him and who are near relatives of the officers of the BSNL
33. Tents and tools will not be supplied to the contractor for the execution of ordered works.
34. The contractor should provide proper danger light signals wherever necessary at busy roads or crosses. For any mishaps occurring the contractor is liable for it.
35. The contractor shall be able to execute the works in more than four or five locations simultaneously by keeping adequate number of persons at his disposal for special executions of the same
36. The contractor shall not assign or sublet the contract or any part thereof.
37. The contractor shall observe all the relevant rules concerning to his workmen employed by him in carrying out the works and pay any compensation to the workmen payable under the workmen compensation Act 1923 for injuries or disability or death caused in the process of execution of the work. The BSNL is in no way responsible for the labour / any others employed by the contractor for carrying out the jobs ordered by the BSNL
38. Contractors who have near relatives posted as gazetted officers in Karnataka circle and Telecom District Raichur in particular or in the subordinate offices thereto are not permitted to tender against this notice inviting tenders. No one connected with or in the employment of BSNL shall ever be admitted as a partner of the contractor.
39. The tenderer(s) should give a certificate to the effect that none of his/her relative is working in the units of BSNL. No such contracting is permissible by BSNL. The near relatives of all BSNL employees are prohibited from participating in this tender.
40. The contractor shall comply with all provisions available towards fulfillment / compliance of the provisions of EPF and miscellaneous provision Act 1952.

41. Each Claim bill must accompany the
- (i) List showing the details of labourers/employees engaged.
 - (ii) Duration of their engagement
 - (iii) The amount of wages paid to such labourers / employees for the duration in question.
 - (iv) Amount of EPF contribution (Both employer's and employees' contribution) for the duration of engagement in question, paid to EPF authorities.
 - (v) Copies of authenticated documents of payments of such contribution to EPF authorities and other allied subscription for the workmen.
 - (vi) Declaration from the contractors regarding compliance of the conditions of the EPF Act 1952
42. The normal working hours shall be between 9 AM to 6 PM on all working days. It is for the contractor to work longer or carry on work at night in case of urgency.
43. The General Manager Telecom Raichur may terminate this agreement at his option any time by giving 7 days notice and without assigning any reason. In case of bad work, The General Manager Telecom, Raichur may rectify the same and have it replaced deducting the value of the work rejected or the cost of replacing the same as he may think proper from any amount due to the contractor making this tender. In the event of any damage sustained by the BSNL due to unsatisfactory execution or delay in carrying out the work by the selected contractor, The General Manager Telecom, Raichur will decide forfeiting the security deposit and entitled to recover the cost of damage. To assess the cost of damage, the decision of The General Manager Telecom, Raichur shall be final. The General Manager Telecom, Raichur reserves to himself the right to forfeit the entire security deposit or such portion thereof as he may think fit for improper works carried out by the contractor.
44. The work should be carried out to the satisfaction of the GMTD Raichur or his representative authorised on his behalf. The GMTD Raichur can reject payment for any part of the work not carried out as per the BSNL standards.
45. Company is not liable for additional works carried out without previous sanction. Company will not be liable for any additional works that have not been provided for in the work or estimate but carried out by the party tendering without previous sanction of the officer who has accepted the tender.
46. Rates for items in the tender will remain fixed for the period of contract. Rates of any other item not covered in the schedule should be settled in advance before taking up the work. It is hereby agreed that if GMTD Raichur makes any alterations in the original design, drawing or specification that may be considered necessary during the progress of the work outside the schedule of the rates be required to be done, the rate must be settled in writing before such work is commenced.
47. While carrying out work on any existing alignment, the tenderer should ensure least interruption to the working circuits. The GMTD Raichur is empowered to cancel the tender or impose any penalty on the tenderer for not following this condition at any time.

48. In the event of the contractor failing to observe or perform any of the conditions of the work as shown in the tender in the above paras, security deposit (EMD + Additional security Deposit) furnished by him will be forfeited without prejudice to any other right of the company.
49. The bills (Running/final) complete in all respects submitted by the contractor after 30 days of completion of work along with A/T are liable for penalty at the rate of 0.25% of the amount of the bill for every week of delay subject to maximum of 5% of the amount of the concerned bill.
50. The bills (Running/Final) complete in all respects submitted by the contractors after six months of completion of A/T will be treated as invalid and no payment will be made on them. However in exceptional cases, payment will be authorised with applicable penalties mentioned in the bid documents by the Heads of circles only, after detailed investigation and on appeal by the contractor.
51. Conditions mentioned in the tender notices are part of the agreement in the form "C" executed on a non- judicial stamp paper of Rs.100/-
52. While digging, no damage should be done to the existing BSNL cable or the cable of other agencies. Instances of such damaging / spoiling of the cable will be noted and such contractors will be ineligible for future tenders.
53. The tenderer will have to submit following documents / deposits with the tender application. Any tender document not accompanying the below mentioned documents / deposits will be liable to be rejected.
 - (a) EMD in accordance with tender document.
 - (b) Tender document(s) in original duly filled and signed by tenderer or his authorised representative along with seal on each page. All corrections and overwriting must be initialed with date by the tender or his authorised representative.
 - (c) The registration of firm, authenticated copy of partnership deed in case of partnership firm.
 - (d) Original "Power of attorney in case person other than the tenderer has signed the tender document.
 - (e) Experience certificate as per clause two of NIT issued by an officer not below the rank of DE of BSNL, any other PSUs which is mandatory.
 - (f) Enlistment certificate from BSNL or other department if enlisted.
 - (g) No relation certificate as enclosure.
